

# King Soopers cards for fundraising

Rewards are now linked to your membership card and once registered online and linked to LifeSpring, a variable percentage on whatever you spend in the store, including prescriptions (but not alcohol) will go directly back to LifeSpring. So as long as you scan your membership card, LifeSpring students benefit from your purchase! Scan (or enter your connected phone # on keypad when checking out) and pay like you would anywhere else!

Follow these steps to link your membership card to LifeSpring's account:

## **Step 1:**

- Go to: [www.kingsoopers.com](http://www.kingsoopers.com)
- Sign into your account OR create a new account
- Select "My Account" from drop down menu on right
- Click on "Community Rewards" on left-hand side under "Account Summary"
- Search "LifeSpring Covenant Church" or "FJ626"
- Click Enroll

## **Step 2:**

- King Soopers will NOT email you a quarterly report, so if you would like to designate a specific person/family to receive the funds, you will need to check your online account quarterly and send a screenshot of the amount to Rhonda at [rhondag@lifespringchurch.org](mailto:rhondag@lifespringchurch.org)
- If you would like to support the general youth mission trip/camp scholarship funds, then no more action is required on your part.

Questions? Email [rhondag@lifespringchurch.org](mailto:rhondag@lifespringchurch.org) and thank you so much for your amazing support of our youth!
